Farmers Buy Threshers. Farmers Buy Threshers.

There is a most favorable outlook for the farmers of this section. The weather has been well suited to the oat and barley crops and the fleids in all the canyons are looking spiendid. Preparing for the harvest season a number of farmers are supplying themselves with threshing machines. Heretofore the threshing machines were so few and far between the crop has either had to be tramped out, er sent down the Penasco for threshing. Drayton Milis has a new portable engine thresher for his place on Peck canyon. P. H. er for his place on Peck canyon. P. H. Hison, on James canyon, has purchased a new model boller and engine thresh-er, and Ed Watson, on Agua Chiquito anyon, has an improved threshing ma

LADIES AND GENTLEMEN know MILK is nature's food for

the young. Older people can assimilate stronger food so CREAM is used for coffee, tea and other breakfast foods, etc. Then to make everything complete you must have good BUTTER. Some people must have a drink suitable people must have a drink suitable to their physical condition therefore Buttlermille can be used with excellent results ICE CREAM can laso be used by the sick in a number of diseases. But be sure to get PURE goods. These must come from healthy cows. We do not ask you to take our word but visit the dairy you get your milk from. Note how it is kept. Then come and see ours at any time, and you will understand why we advertise our PURE goods.
